The Song of the Young King, sung annually at Sunreturn, the festival of the winter solstice, tells the story of Morred, called the Mage-King, the White Enchanter, and the Young King. Morred came of a collateral line of the House of Enlad, inheriting the throne from a cousin; his forebears were wizards, advisers to the kings. Rose watched her. He examined it attentively, and put some seedpods into his pouch. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (29 of 111) [2/5/2004 12:33:30 AM]. showing his wares in the kitchens of the housewives and the sleepy taverns where the old men sat. betrayed. him home. Ritual occurs only in traditional offerings. Her father's ancestors had owned a wide, rich domain on the wide, rich island of Way. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as lucky as an Irian". The masters and many tenants of the domain added its name to their own, calling themselves Irian. But though the farmers and shepherds went on from season to season and year to year and generation to generation as solid and steady as the oaks, the family that owned the land altered with time and chance.
