the enemy bunker, followed by his numb staff, who joined the gaggle of disarmed defenders being herded together under the watchful eyes of
smirking Third Platoon guards. The primary objective had been to take prisoners and obtain intelligence, and the crop had yielded two captains in
addition to the major, a first and a second lieutenant, a chief warrant officer, a sergeant major, two sergeants, and over a dozen enlisted men.
Moreover, the call-sign lists and maps had been seized intact, along with invaluable communications and weapons-control equipment. Not a bad
haul at all, Colman reflected with satisfaction..(This in its final, expanded form was to become the longest poem in her next collection, "The Ballad

Michelle. They lived quite nearby, on West 28th, and were interested, primarily, in the television shows they'd seen when they were growing up,
about which they were very well-informed. Despite a bad first impression, due to his associating them with Maggie of the green sofa, Barry found
himself liking the MacKinnons enormously, and before the next switchover he put his chair in the LOCK position. They spent the rest of the
evening together, exchanging nostalgic tidbits over coffee and slices of Partyland's famous pineapple pie. At closing time be asked if they would

Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten. (Although it is certainly used that way far too often..).since it meant he'd come that close to not having to bother scouting out two more endorsements. Still, "In just a moment," said the thin grey

man, "you will see a man living through the happiest moment of his life. But first I must make sure my nearest and dearest friend can see too." He went to the large black trunk, which seemed even blacker and larger, stood it on its side; then with the great iron key he opened it almost halfway so that it was opened toward the mirror.
