

THE MYSTERY OF GOLF

"What did you say?" cried Amos above the howl. "I know," she sighed, "but I still can't believe it" She tapped her scarlet fingernails on the dolled. She smiled a meaningful, unblemished smile and gave his hand a quick, trusting squeeze. "You know, Terrific, just terrific," Barry replied with authentic warmth. He'd always scored well at this preliminary stage of basic communication, which was why, at the time, he'd so much resented his examiner's remark about his handshake. There was nothing phoney about his handshake, and he knew it. Suppose, then, the nucleus of a somatic cell were surrounded with the cytoplasm of an egg cell. Would the genetic equipment in the nucleus unblock, and would the egg cell then proceed to divide and redivide? Would it go on to form an individual with the genetic equipment of the original somatic cell and, therefore, of the person from whom the somatic cell was taken? If so, the new organism would be a clone of the person who donated the somatic cell. I'm sure she thought he was an imp from hell. I almost died. I'm not sure what was wrong. Apart, we. The purplish cloud broke. "Well, you may rest assured you aren't going to!" the wealthy merchant shouted. "Not if I have anything to say about it!" He pointed successively at Eli and Zeke and me. "And neither are you or you or you!" With that, he stamped back to his palanquin, got in and yanked the curtains closed, and the bearers trotted off with it. We stood there laughing. Last light of the moon winked out. Animositities developed, flourished for a few hours, and dissolved in tearful reconciliations. Three ganged up on two, two on one, one declared war on all the other four. Ralston and Song announced an engagement, which lasted ten hours. Crawford nearly came to blows with Lang, aided by McKillian. McKillian renounced men forever and had a brief, tempestuous affair with Song. Then Song discovered McKillian with Ralston, and Crawford caught her on the rebound, only to be thrown over for Ralston. Despite a bad first impression, due to his associating them with Maggie of the green sofa, Barry found himself liking the MacKinnons enormously, and before the next switchover he put his chair in the LOCK position. They spent the rest of the evening together, exchanging nostalgic tidbits over coffee and slices of Partyland's famous pineapple pie. At closing time he asked if they would either consider giving him an endorsement. They said they would have, having thoroughly enjoyed his company, but unfortunately they'd both used up their quota for that year.
