

## WESTERN ELECTRICIAN VOL 11 JULY 2 DECEMBER 31 1892

Song had taken one apart as well as she could. She was still shaking her head in disbelief. She had. Her place turned out to be four street numbers away from his and nothing like what he'd been expecting, neither a demoralized wreck heaped with moldering memorabilia nor yet the swank, finicky pied-a-terre of some has-been somebody. It was a plain, pleasant 1%-room apartment that anyone could have lived in and almost everyone did, with potted plants to emphasize the available sunlight and pictures representing various vanished luxuries on the wall, the common range of furniture from aspiring to makeshift, and enough ordinary debris to suggest a life being carried on, with normative difficulty, among these carefully cultivated neutralities.. "At least it's no worse," says the tech. He pauses. "Can you manage the payoff?" I drive west, away from the soiled towers of the strip-city. I drive beyond the colstrip pits and into LADIES AND GENTLEMEN, our guest of honor tonight-Henry B. Congreve." The toastmaster completed his introduction and stepped aside to allow the stocky, white-haired figure in black tie and dinner jacket to move to the podium. Enthusiastic applause arose from the three hundred guests gathered in the Hilton complex on the western outskirts of Washington, D.C. The lights around the room dimmed, fading the audience into white shirtfronts, glittering throats and fingers, and mask like faces. A pair of spotlights picked out the speaker as he waited for the applause to subside. In the shadows next to him, the toastmaster returned to his chair.. They had all worked hard to empty out the collapsed dome and peel back the whole, bulky mess to reveal the ground it had covered. She was tired and stepped out of character for a moment to snap at Mary Lang.. 4. Everyone's entitled to his own opinion.. grin of being classified in the same category with such a nitwit! Partyland was probably full of people in their situation, all hoping to connect with some bona fide Permanent License holder, instead of which they went around colliding with each other.. Prudently he didn't spring them on her all at once, but waited until she'd finished each one before telling her what the next had to be about. She didn't raise any further objections until he came to Number 8, whereupon she insisted she didn't have any feelings about beets whatsoever. He refused to believe her, and to prove his point he cooked up a quick dinner on her hotplate of Spam and canned beets (it was rather late by then, and they were famished). Before she'd had three mouthfuls, the poem started coming to her, and by the time she'd got it into final shape, five years later, it was far and away the best of the lot..
